### The Value of Education

The most reliable way to improve your life is education. You know that's true, don't you? At Heritage College and Heritage Institute, we believe that everyone can improve their lives through education. What are you waiting for? We will help you. It won't take long. We won't waste your time with classes that don't apply to your career. Call (888) 334-7339. We will help you.

### Career Colleges and Technical Institutes

Career colleges and technical institutes focus on providing career specific education that enables students to finish school quickly and enter their chosen career path as rapidly as possible. A career college or technical institute usually avoids teaching subjects that do not relate directly to the student's career path. Heritage career colleges and technical institutes offer career
